Rocco and the Corrosive Cynic

ROCCO
The election?

CORROSIVE
Which brace of fools? I go Dem this time
for a reason you wouldn't fathom.

ROCCO
Try me. I mean I don't read ten books a week
like you do, but I've learned something.

CORROSIVE
I doubt it.

ROCCO
Reason?

CORROSIVE
I don't want that phony, folksie woman hogging the news.
It'll be all gosh-darns and holy gees while we go down
in flames. Republicans excel at toxic horseshit and totally
specious populism.

ROCCO
Dems shoot straighter, yes?

CORROSIVE
Well, they had their Camelot. Transcendent horseshit
for all the ages!

ROCCO
That your exit line?

CORROSIVE
I am leaving, as even one of your small wit can notice.
But my exit line is VOTE REPUBLICAN! WAR FOREVER!

ROCCO
And money never lost a war.

CORROSIVE
Or anything else. Bye bye, Dope.
